

*Hello all potential DANCEMACHINE cast members. Please read only the part you are auditioning for. It's okay to have someone else read the other role(s) off camera. Thank you.*

SIDES FOR THE CHARACTER "DOOLEY" SIDE #1 of 1

In this scene Dooley has just arrived at the Leaning Tower of Pizza Bowl.

Rapid, repeated SOUNDS of a key being rapped against the window. Everyone looks up to see Dooley outside, peering in excitedly waving. Joe unlocks the door, Dooley rushes up to Perry.

DOOLEY

(breathless)

I'm glad I found you --

PERRY

Look, Dooley, about my car, I'm gonna take it back.

DOOLEY

(laughs)

Yes sir, that's right. Damn right you are, that's it exactly.

(laughs)

Take your car back back, yes sir.

He holds up the Mustang key that spritzers like hell.

DOOLEY (CONT'D)

It's outside.

PERRY

What?

DOOLEY

Your car. When James Thorogood Dooley makes a promise...

(bows)

He delivers.
