

*Hello all potential DANCEMACHINE cast members. Please read only the part you are auditioning for. It's okay to have someone else read the other role(s) off camera. Thank you.*

SIDES FOR THE CHARACTER "LEONARD" SIDE #1

LEONARD 15, a heavy set kid, wearing baggy everything and carrying a bookbag almost as big as him, walks up to Perry and MJ.

LEONARD

Like what?

MJ

Hey Leonard, my boy Perry is in Lena's tractor beam again.

PERRY

(tranced)

MJ I am serious, I got her right where I want her.

MJ

Player, she hasn't even said hi to you since the 6th grade.

(frustrated)

Remember?

LEONARD

(nods)

Word!

Perry lost, he's in Lena's gravitational pull, deer-in-the-headlight hopeless. MJ and Leonard just shake their heads.

Devon's in a tight orbit around Lena, jabbering away and, as usual, she's busy shaking and baking her goods.

LEONARD (CONT'D)

What set it off this time.

MJ

He thinks she was crying at a Japanese folk tale he did in class.

LEONARD

Anime will get you every time.
