SIDES FOR THE CHARACTER "PAIGE" SIDE #1 OF 1

INT. LENA'S BEDROOM - NIGHT

Lena sits on her knees on her bed. Paige is on Lena's phone, lying on the floor beside the bed.

PAIGE

(disguises her voice,
older)

Yes, she's just not doing too well.
And as her mother, I just can't let
her go out this sick. Protective
Services would come down on me like
a... bunch of crows on roadkill or
something, you know?

Lena falls backwards covers her mouth.

INTERCUT PHONE CONVERSATION

PERRY

What's wrong with her?

Paige covers the phone.

PAIGE

What's wrong with you? What, is
this kid a doctor or something?
