

Hello all potential DANCEMACHINE cast members. Please read only the part you are auditioning for. It's okay to have someone else read the other role(s) off camera. Thank you.

Sides for the role of "RAZMEEK" Side #1 of 1

INT. LUNCHROOM - DAY

Razmeek stands in the hot lunch line, taking two of everything.

The towering LUNCHROOM LADY eyeballs him. Razmeek notices, aims his eyes up at her.

RAZMEEK

My homage to Noah and his
wondrously symmetrical ark.

Razmeek moves on down the line.

CAFETERIA TABLE

Razmeek slides an empty tray out from under his full one, starts piling items onto the empty for Perry, who huddles in a dark corner.

PERRY

How much did they see?

RAZMEEK

Not much, believe me.

PERRY

Yeah, that's what I'm afraid of.

Razmeek guzzles a milk, removes a hot dog from its bun.

RAZMEEK

Face it, dude, you got no chance at
senior goddess babe. Not unless
suddenly, like overnight, you
become a jock or something.

Perry stares at him, blankly. Then a lightbulb goes off, and blank is replaced by something... crazy.

Razmeek lowers his head; reads Perry like a book. He waggles at Perry with a hot dog, half of which falls off.

RAZMEEK (CONT'D)
Do not even think about it.
