SIDES FOR THE CHARACTER "COACH SPARKS" SIDE #1 of 1

INT. LOCKER ROOM - DAY

COACH SPARKS

You two, ahem,  
(snorts)  
men take a shower yet?

Razmeek nods, pokes Perry who snaps to, joins in.

Sparks sneers, moves on and we stay with him.

COACH SPARKS (CONT'D)

(he BLOWS A WHISTLE)

All right, everyone, listen up. As you all know due to the little incident involving some of the guys on the team and a mule and a pool table, the Earthquake's come up a little short-handed for the rest of the season.

(a smattering of laughs)

I SAID LISTEN UP! Now, I'm holding late try-outs for Varsity Football tomorrow afternoon, 4 o'clock sharp. No whiners, no metros, no girlie boys. We're looking for a few good men.

His eyes scan the room from potentials, to computer geeks, to the kid still in the laundry cart, to Perry and Razmeek.

COACH SPARKS (CONT'D)

You two men stay after and pick up  
all the towels, got it?
