SIDES FOR THE CHARACTER "TAMMI" SIDE #2

In this scene Perry is very frustrated, he wants to tell Tami how he feels but she just won't or can't listen.

INT. LEANING TOWER OF PIZZA BOWL - NIGHT

Perry searches the restaurant but he can't find Tami. He hears a sound and wheels around to see her standing there, hips rocking, head bobbing, dancing in place like nothing's happened.

She offers him a hand. He reaches for it.

TAMI

Friends to the end, let's dance again.

Perry throws down her hand, jumps up, squares to her.

PERRY

I don't want to dance, I want some answers. Are you for real?

The smile slowly fades from her face, her movement slows.

TAMI

All she wants to do is dance.

PERRY

DANCE? There's a lot more to life than just dancing.

She stops dancing, steps back, a sadness on her face that we've never seen before.

TAMI

(whispers)  
But not for me.  
(a tear runs down her  
cheek)  
That's all I...

Perry realizes, but the damage is done.
