

INT. LEANING TOWER OF PIZZA BOWL, 3 AM

Tami and Perry lean against the Dance Machine railing, exhausted, flushed, happy.

PERRY  
That was so great! I could dance  
with you forever!

TAMI  
(sadly)  
Now she will spend eternity,  
Dancing, alone, and not for thee.

*The myth.* Perry stops, taken aback by what he's just heard.

TAMI (CONT'D)  
(back to Dance Machine  
speak)  
Surprising moves!

PERRY  
Who are you?

TAMI  
You're the only one who really knew  
me at all.

PERRY  
How can I know you? I've only seen  
you twice...

TAMI  
So take a look at me now.

Perry gulps. He's a smitten kitten.

PERRY  
*Whoa.*

TAMI  
*Wow.*

PERRY  
*Wow?*

Perry gathers his courage. Awkwardly, he leans in to kiss her. She leans in to him. He closes his eyes.

TAMI  
All she wants to do is dance.

PERRY  
(disappointed)  
Okay. We can do that to.

Unknown to Perry, Tami touches the Dance Machine,, purple sparks fly out and the music comes on. "I Believe In Miracles".

TAMI  
I believe in miracles!

Perry smiles at her.

PERRY  
So do I.

TAMI  
You look so good.

PERRY  
(smitten)  
Thanks. Umm wait here. I have something to show you. Now don't move.

Tami just smiles at him. Perry backs away slowly keeping one eye on her, as he crosses the Arcade he trips over his mop bucket. When he gets up Tami is gone.

PERRY (CONT'D)  
(sotto)  
I wanted to show you a application for this dance contest.

Perry dismayed gets up slowly and walks out of the room.
